The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL TO ALLOCATE FUNDS FOR THE
CALIFORNIA WORK OPPORTUNITIES AND RESPONSIBILITY TO KIDS
(CalWORKs) DOMESTIC VIOLENCE SUPPORTIVE SERVICES PROGRAM
FOR FISCAL YEAR (FY) 2004-2005
(ALL DISTRICTS) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve funding allocations for the provision of the CalWORKs Domestic Violence Supportive Services Program in the amount of \$13,200,000, of which \$11,821,646 will be used for the service providers shown on Attachment I in the amounts indicated, \$58,354 for future contingency purposes; and, \$1,320,000 will be used for Community and Senior Services (CSS) administrative costs effective July 1, 2004 through June 30, 2005. The program is financed by the Department of Public Social Services (DPSS) using \$10,600,000 CalWORKs Single allocation funds and \$2,600,000 Performance Incentive-Net County Cost (PI-NCC) funds. DPSS provides the funding to CSS through intrafund transfers.
2. Authorize the Director of CSS, or the designee, to execute contracts in substantially similar form to Attachment II, with the 42 service providers indicated on Attachment I and in the amounts indicated for provision of CalWORKs domestic violence supportive services, after County Counsel approval as to form effective July 1, 2004 through June 30, 2005.
3. Authorize the Director of CSS, or the designee, to execute contract amendments in substantially similar form to Attachment III to increase or decrease original contract amounts based on contractor performance and availability of funding and provided that: (a) the amount of change does not exceed 15% of the original contract amount; (b) approval of County Counsel, the Chief Administrative Office (CAO), and DPSS is obtained prior to any such amendment; and (c) the Director of CSS confirms in writing to the Board of Supervisors, the CAO, and DPSS

within 30 days after execution that such amendments have been executed. This action assures full expenditure of funds and is consistent with the Board's policy requiring review of contractor performance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended actions will enable CSS to continue operation of the CalWORKs Domestic Violence Supportive Services program, which provides case management, counseling, emergency and transitional shelter, legal and other services to CalWORKs participants and assists them in overcoming barriers to employment and move toward self-sufficiency for FY 2004-05.

Performance Measures

The CalWORKs Domestic Violence Supportive Services Program performance evaluation is aligned with the County's Performance Counts Initiative. The standard of performance measurement for program effectiveness is indicated by clients achieving one of the following positive outcomes:

- A safe and stable environment, emotionally and physically, to access supportive services;
- Identification and utilization of community resources to achieve self-sufficiency;
- Accessing educational and work-related activities to prepare for workforce readiness.

The Department will assess the agencies' performance through its analysis of monitoring reports produced by the CSS Domestic Violence Unit.

Implementation of Strategic Plan Goals

The recommended actions support the Countywide Strategic Plan Goal of Service Excellence and Children and Families' Well-Being.

FISCAL IMPACT/FINANCING

The cost for the CalWORKs Domestic Violence Supportive Services Program for the period July 1, 2004 through June 30, 2005 totals \$13,200,000, of which \$11,821,646 will be used for the 42 service providers listed on Attachment I in the amounts indicated; \$58,354 for future contingency purposes; and, \$1,320,000 will be used for CSS administrative costs. The CalWORKs Domestic Violence Supportive Services Program is financed by DPSS using \$10,600,000 Single Allocation funds and \$2,600,000 PI-NCC funds.

There is no impact on the general fund, and funding has been included in the Department's FY 2004-05 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 31, 1998, your Board approved the CalWORKs Domestic Violence Supportive Services Program Implementation Plan to increase the County's level of domestic violence services for CalWORKs participants. Under this program, CalWORKs participants access critical domestic violence services they need in order to achieve employment and financial self-sufficiency. The CalWORKs Domestic Violence Supportive Services Program has allowed CSS to expand the countywide network of service providers to shelter and non-shelter agencies. The service providers are contracted to provide case management, counseling, transportation, emergency and transitional shelter, and legal services.

On April 20, 2004, your Board adopted DPSS' CalWORKs consensus funding recommendations of the Stakeholders process in the total amount of \$25,290,000 Performance Incentives Net County Cost (PI-NCC) funds. Of this amount, \$2,600,000 was designated for domestic violence services for the period July 1, 2004 through June 30, 2005. In June 2004, your Board adopted the remaining funding recommendations.

There is a Memorandum of Understanding (MOU) between CSS and DPSS to provide CalWORKs Domestic Violence Supportive Services to CalWORKs participants. The MOU is automatically renewed each year, contingent upon availability of funds, and there is no impact on County general funds. The CAO and DPSS have reviewed and concur with the recommended actions. County Counsel has reviewed and approved the agreement and amendment as to form.

CONTRACTING PROCESS

CSS conducted an open competitive Request For Proposal (RFP) process in July 2003 to solicit service providers with the capability to provide case management and legal services to CalWORKs participants and their children who are victims of domestic violence. Forty-five agencies were selected as a result of the RFP process and approved for funding by your Board for the period November 1, 2003 through June 30, 2004. During the fiscal year, Central Recovery Development Project, Inc. and Grace Center, requested that their contracts be terminated due to their inability to sustain the programs at the current funding level, and MJB Transitional Recovery, Inc. was terminated due to contractual non-compliance. Cambodian Association of America, Coalition of Mental Health Professionals, and Domestic Abuse Center are recommended for funding with a 20% decrease due to unmet contractual performance

goals. A total of forty-two (42) agencies, listed in Attachment I, are being recommended for funding with this action.

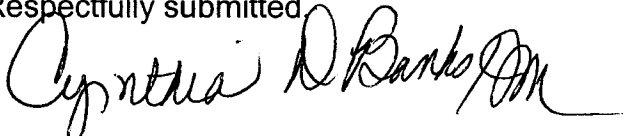

Monitoring

CSS will ensure that all approved contractors are monitored relative to contract compliance and administrative, programmatic and fiscal requirements. The contracting method that will be used for the CalWORKs Domestic Violence Supportive Services Program is a performance-based, fee-for-service contract and all providers are required to submit outcome measures associated with the completion of tasks in the Statement of Work. CSS will analyze service fees on a yearly basis and will adjust fees accordingly to meet the County's Cost of Living Adjustment (COLA) policy as adopted by the Board on January 29, 2002. Service providers will be monitored quarterly for programmatic contract compliance through the CSS Domestic Violence Monitoring Unit. Fiscal compliance monitoring is conducted bi-annually with a follow-up visit by an approved vendor procured through the Auditor-Controller.

IMPACT ON CURRENT SERVICES

Continuation of the CalWORKs Domestic Violence Supportive Services Program will allow agencies to provide domestic violence supportive services to CalWORKs participants and their children, enabling them to overcome barriers to employment and ultimately achieve self-sufficiency.

Respectfully submitted

Chief Deputy Director

County's failure to exercise this right to terminate or impose corrective sanctions shall not constitute waiver of such right which may be exercised at any subsequent time.

14. CONTRACTOR'S PERFORMANCE/REALLOCATION OF FUNDS:

A. Contractors are expected to perform at optimum capacity in meeting contractual commitments. Contractor shall by the end of the second quarter, following beginning of a funding cycle, achieve a seventy-five percent (75%) of monthly contract commitment through the end of the fiscal year.

If Contractor provides less than seventy-five percent (75%) of the total contracted units of measurement in any month, the County, at its discretion, may require that the contract be renegotiated to more accurately reflect the actual levels of service or the County may terminate the contract.

B. The department reserves the right to reduce contract amount if quarterly monitoring indicated that the rate of reimbursement represents less than seventy-five percent (75%) as applicable to section A of proceeding. In the event of money underutilization by the Contractor, the contract may be renegotiated in order to reflect more accurately the actual levels of expenditure or the department may terminate the contract, as applicable to section A of preceeding.

The performance of Contractor will be reevaluated at a six (6) month interval, and funds will be reallocated at the discretion of the PROGRAM MANAGER. If Contractor is below the achievement level required, funds may be reduced and reallocated to agencies that are overachieving and qualify for grant increases. Additionally, the County at its discretion may reduce the Contractor's annual grant for the following fiscal year to more accurately reflect the Contractor's level of service.

C. Consistent with the goals of the Program, as described in Exhibit "C", Application, attached hereto and incorporated herein by reference. The Contractor agrees to comply with the following:

1. Performance Outcome Measures as required by CSS and as described in Exhibit "C", Page 1.
2. Provision of the Monthly Activity Report to CSS for purposes of

verifying the Program status for clients served under this contract, as described in Exhibit "C", Page 2.

3. Provision of the Client Outcome Form, as described in Exhibit "C", Page 3.

4. Provide program data as required by CSS.

15. **JOINT FUNDING AND REVENUE DISCLOSURE REQUIREMENT:** By the execution of this CONTRACT, CONTRACTOR certifies unless waived by COUNTY, that it has previously filed with CSS a written statement listing all revenue received, or expected to be received, by CONTRACTOR from Federal, State, City or County sources or other governmental and non-governmental agencies, and applied, or expected to be applied, to offset in whole or in part any of the costs incurred by CONTRACTOR in conducting current prospective projects or business activities, including, but not necessarily limited to, the project or business activity which is the subject of this Contract. Such statement shall reflect the name and a description of funding provided by each and every governmental agency to each such project or business activity, and the full name and address of each such agency.

During the term of this CONTRACT, CONTRACTOR shall prepare and file a similar written statement each time it receives funding from any governmental agency which is additional to that revenue disclosed in CONTRACTOR'S initial revenue disclosure statement hereunder. Such statement shall be filed with CSS within fifteen (15) business days following receipt of such additional funding. COUNTY shall not pay for any services provided by CONTRACTOR, which are funded by other services. If CONTRACTOR is a governmental agency, it shall be exempt from disclosure requirements of this Section except as it pertains to other sources of funding for the PROGRAM. All other provisions of this section shall apply. The failure of CONTRACTOR to comply with the requirements of this paragraph shall constitute a material breach of CONTRACT upon which COUNTY may cancel, terminate, or suspend this CONTRACT.

16. **BUDGET:** Expenditures made by Contractor in the operation of this Contract shall be in strict compliance and conformity with the budget set forth in Exhibit B, unless prior written approval is obtained from County Program Director, or his designee.

17. **DESCRIPTION OF SERVICES:** Contractor agrees to provide services in the form as described in Appendices and Exhibit "A", Application, attached hereto and incorporated herein by reference.

Contractor shall provide to eligible persons the supportive services set forth in Exhibit "A", Application, hereof which states for such services the following:

- A. Description of the service and Contractor's program relating thereto:
- B. The time(s) and location(s) of service availability;

- C. Description of the facilities and equipment involved in providing the service; and
